# Company overview

«PetRus Confectionary» is one of the Ukrainian top ten largest producers of confectionary from 800 companies on the market.

Company produces its goods under trademarks «Domashne Sviato» and «Perepelka».

Basic procurement portfolio includes over 150 products in 7 different categories of products:

1. Waffles
2. Cookies
3. Swiss rolls
4. Sponge cakes
5. Muffins
6. Chocolate wafer cakes
7. Chocolate wafer candies

“PetRus Confectionary” is one of top five leaders of Ukrainian baked goods market and the company exports its goods to 17 countries over the world, including USA, EU, CIS and other countries.

“World of Sweets”, as a production part of PetRus holding company, is an enterprise with modern manufacturing technologies. Its monthly manufacturing capacities are more than 4 thousand tones of different kinds of confectionary products. Since 2006 «World of Sweets» has implemented quality management ISO 9001: 2001 and in 2016 the company obtained international food safety certificate ISO 22000.

Technical equipment includes production lines from leading global producers:

- three wafer lines «HAAS»
- four biscuits lines
- butter biscuit manufacturing line «TECON»
- cupcakes line
- Swiss rolls and sponge cakes manufacturing line
- line for chocolate-coated wafer cakes and candies

«Petrus Confectionary» is also specialized in Private Label production, producing sweets for major national food store chains: ATB, Billa, Tavria B, Absolute, ROST, Brusnichka, Klass, Furshet, Varus and others.

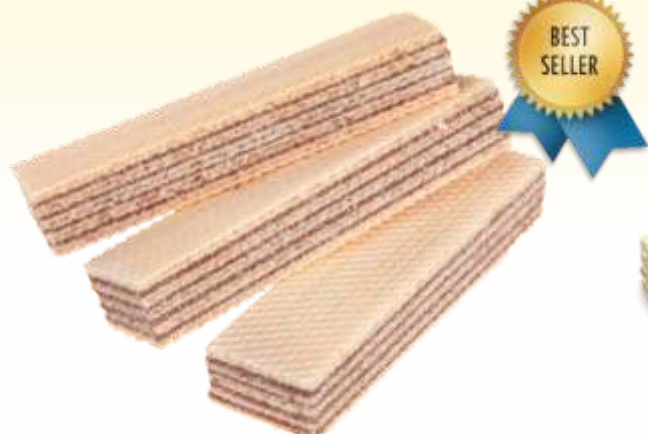

Constant development of new tastes together with strong support of bestselling products – is current strategy for success of «Petrus Confectionary».

**Our mission: Supply the World with quality goods  
and services that bring people satisfaction!**  
**Our principles: Consistency. Honesty. Responsibility.**
